MEDESHAMSTEDE
A C A D E M Y

Core Subjects

Our English lessons will involve daily phonics lessons from Read Write Inc, mark making, sharing stories and sequencing events in Bear Hunt.

In Maths we will be following the White Rose scheme for matching, identifying and matching colours, numbers, shapes and patterns.

Topic

Our topic this term is called 'Let's Explore'

This project teaches children about the environments that they share with others, including their homes, school and places in the local community.
We will be exploring the natural world and what lives underground. We will investigate our senses and our world through Life Skills to develop our physical wellbeing, independence and cooking.

Foundation Subjects

Our topic is taught cross curricular throughout the day, which includes science as well as knowledge and understanding of the world.

In Art/DT we will be creating models with different materials, being imaginative and expressive with a range of materials. We will be exploring small world play and seeing what we can build with the materials around us.

In RE we will be investigating a variety of symbols that are found in different religions.

In PSHEE we are focussing on 'Being me in my world'. We will be looking at how we are feeling each day, being at school as well as the class expectations and responsibilities.

Key Dates

- Parents and Carers Forum- 27th September 9:15- 10:30
- Macmillan Coffee Morning- 29th September 9:30-11
- National Poetry Day- 5th October
- World Mental Health Day- 10th October
- Autumn Term Reports: Friday 20th October
- Parent's Evening: Thursday 30th November

PE

In PE we will be developing our gross motor skills, focussing on moving safely under, over and through a variety of objects.
Our PE days are on Monday and Friday, so please send in a PE kit (labelled with their name) to keep at school, as we are developing their independence by changing for PE.
